

# PROJECT PROPOSAL

GROUP 3

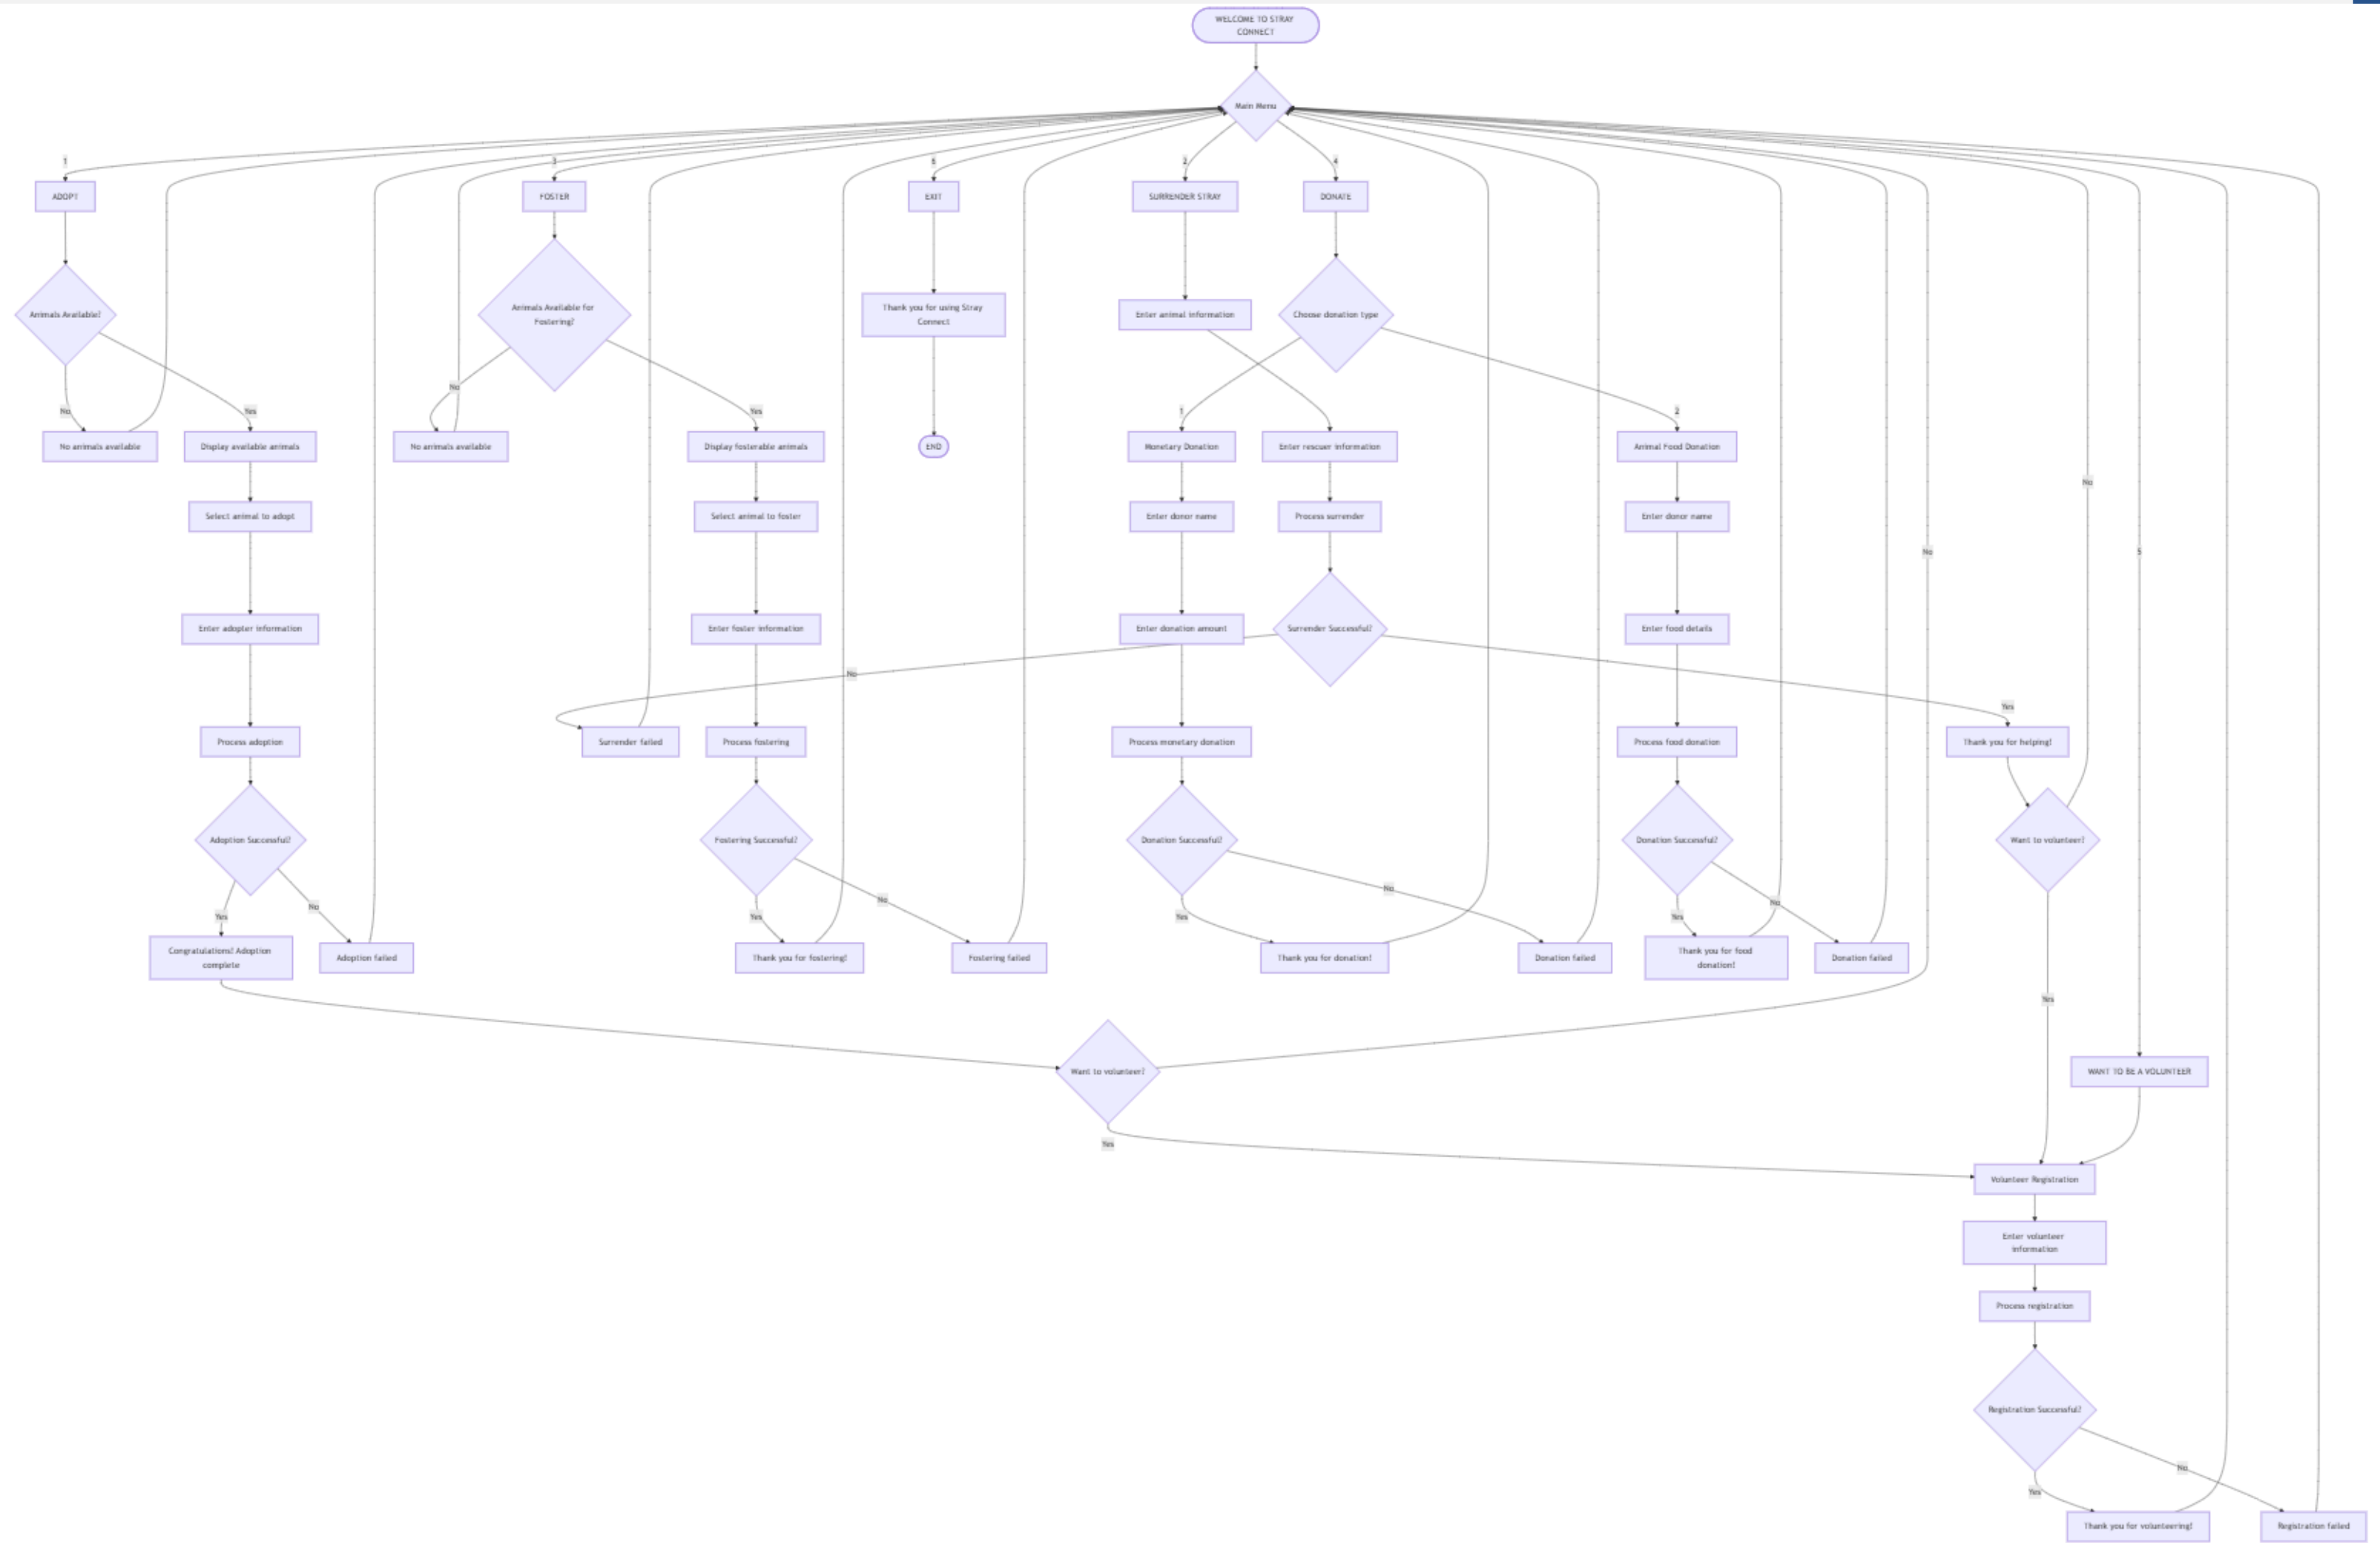

# PROPOSED TITLES

- 01    Stray Connect: Animal Rescue Management System**
- 02    Eat-o-Meter: Calorie Tracking App**
- 03    MealMatch: Recipe Discovery App**

# STRAY CONNECT: ANIMAL RESCUE MANAGEMENT SYSTEM

- A comprehensive management system that connects stray animals with loving homes while coordinating rescue efforts, fostering programs, and volunteer networks.
- Key Features:
  - ADOPTION SYSTEM
  - STRAY SURRENDER
  - FOSTER PROGRAM
  - DONATION MANAGEMENT
- Impact:
  - Streamlines animal rescue operations and reduces processing time
  - Increases adoption rates through organized animal showcasing
  - Builds stronger volunteer networks and community engagement
  - Supports animal welfare through donation tracking and foster coordination

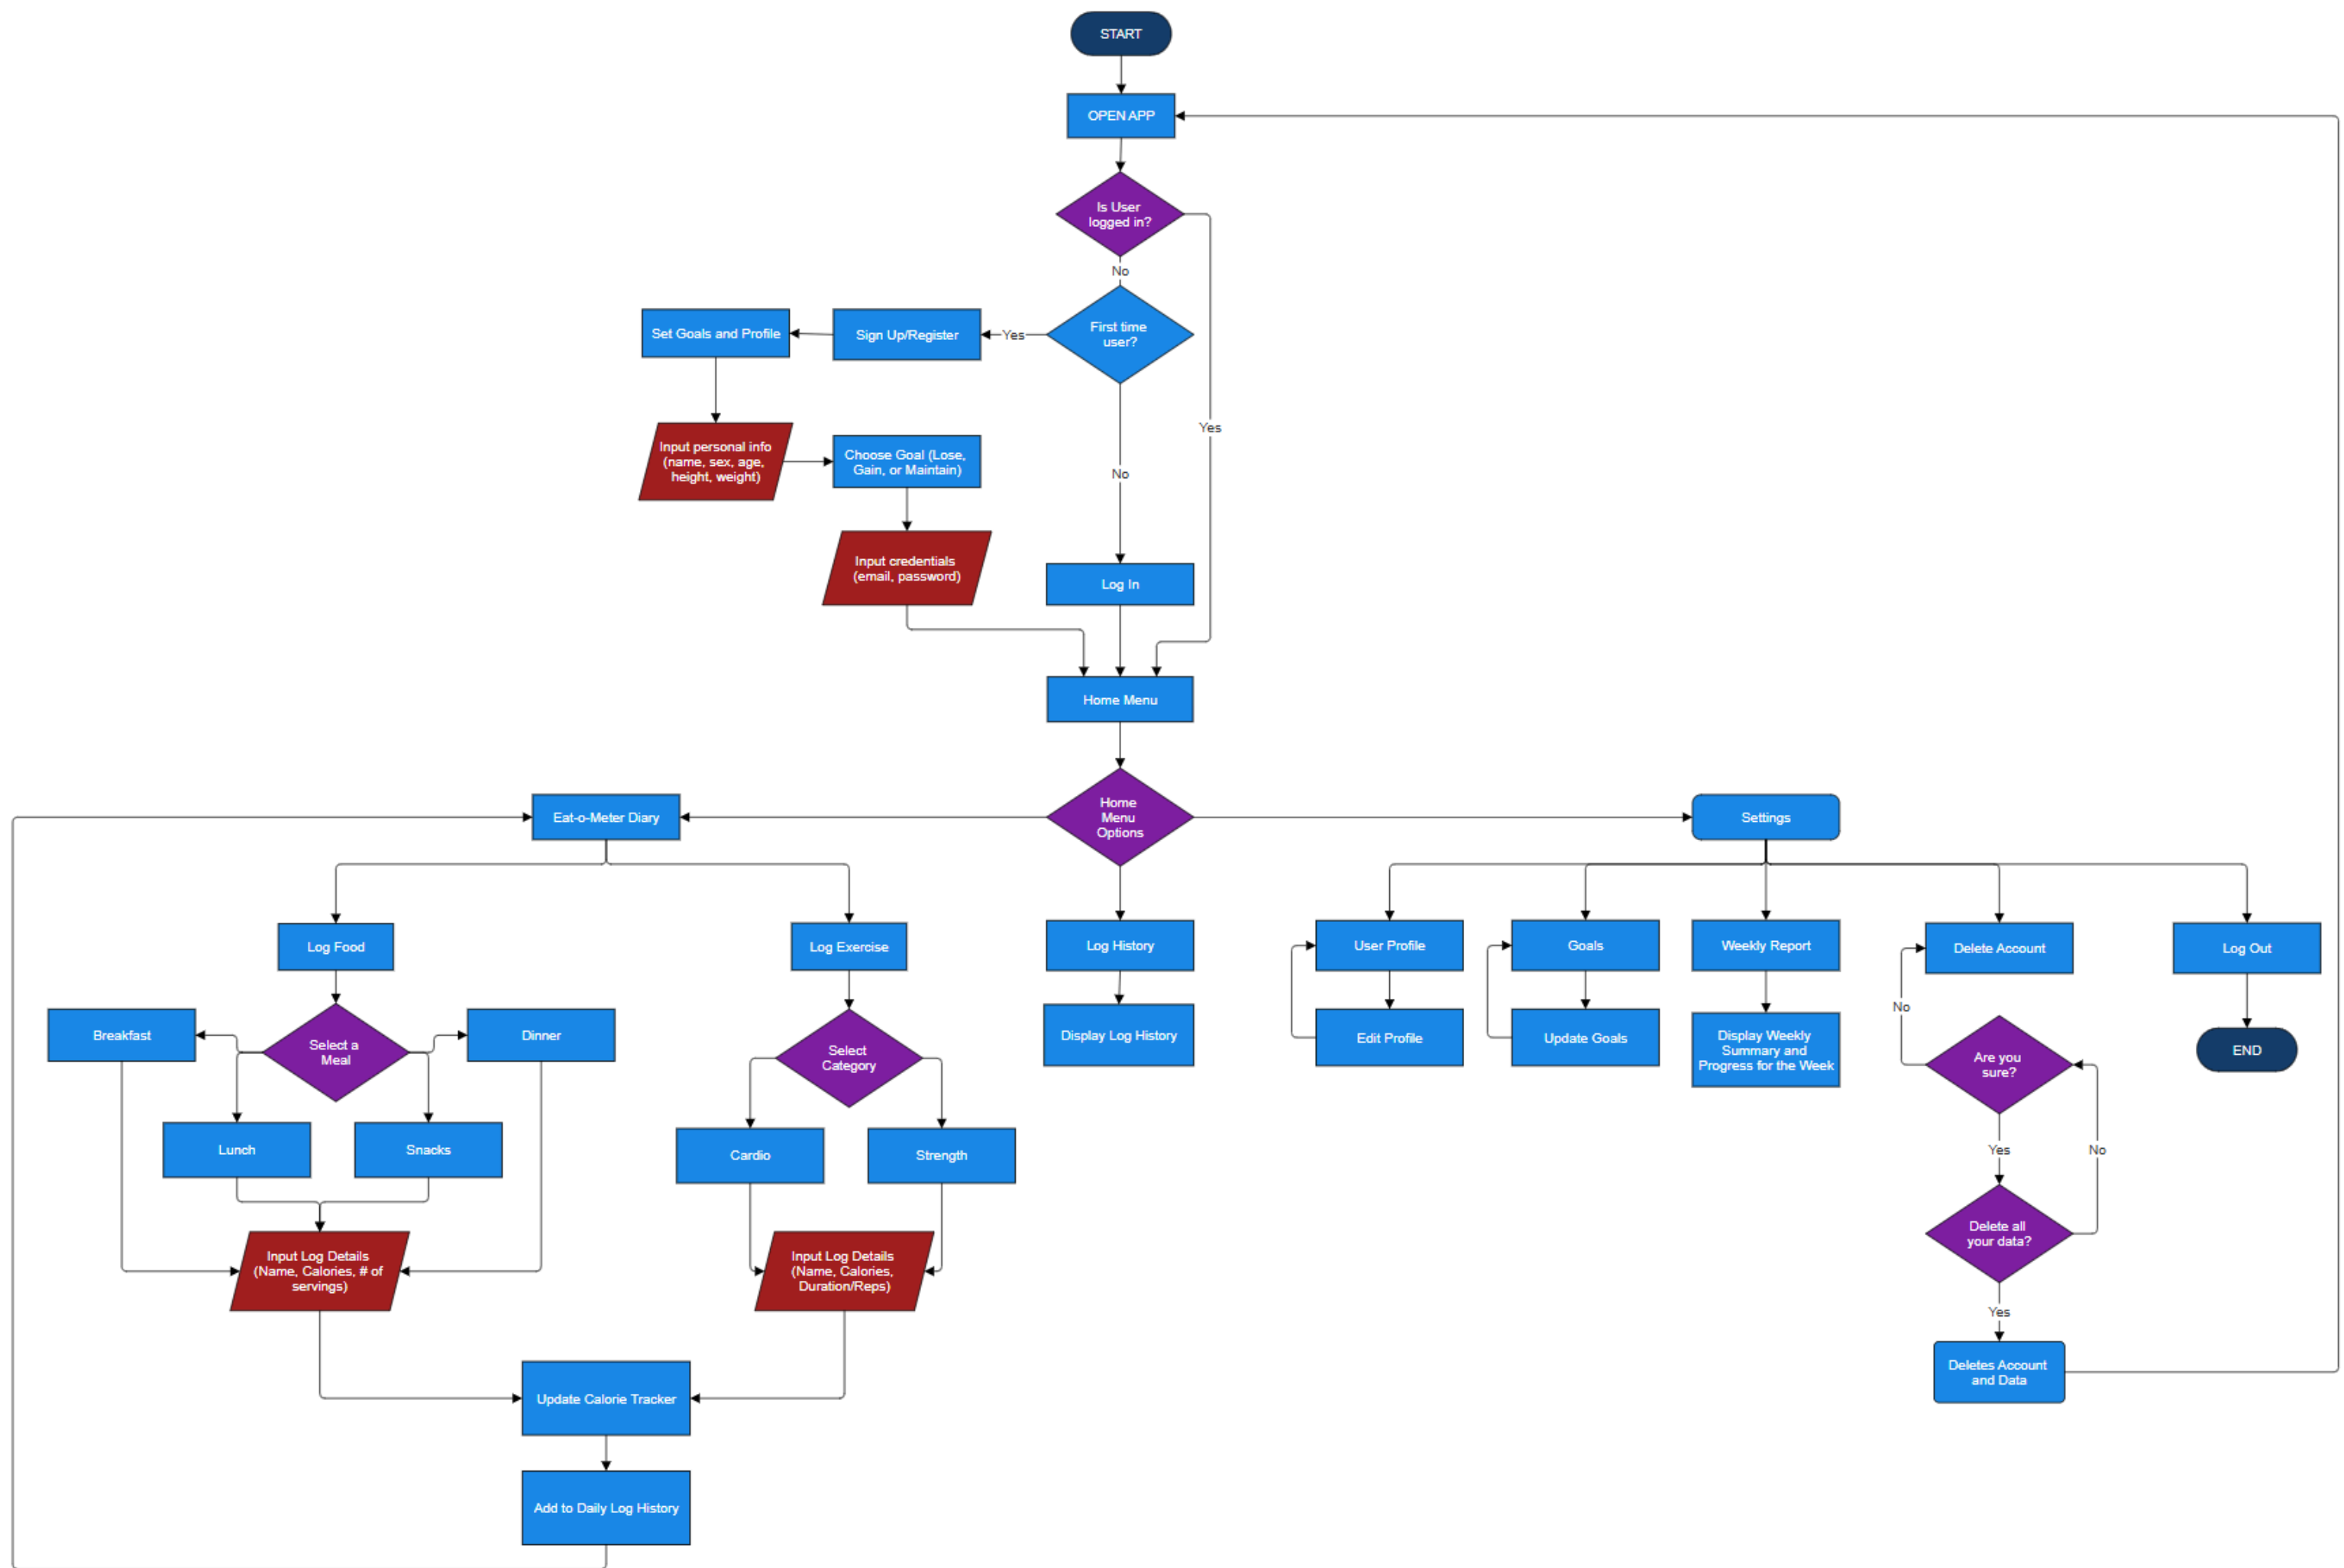

# EAT-O-METER: CALORIE TRACKING APP

- A mobile app that helps users track their calorie intake, exercise, and health progress while promoting a balanced lifestyle
- Key Features:
  - Daily Calorie Calculator → Computes and displays daily calorie needs based on the user's data and goals.
  - Diary Log → Add food or exercise entries with details like calories, servings, and type.
  - Log History → Browse the records with calorie breakdowns.
  - Weekly Report → See summaries of your calorie intake, activities, and progress in a week.
  - Weight Progress Tracker → Update weekly weight and monitor your journey toward your goal.
- Impact:
  - Empowers users to make informed health decisions.
  - Encourages healthy eating and active living through simple tracking tools.
  - Supports SDG 3: Good Health and Well-being by promoting fitness and healthier lifestyles.

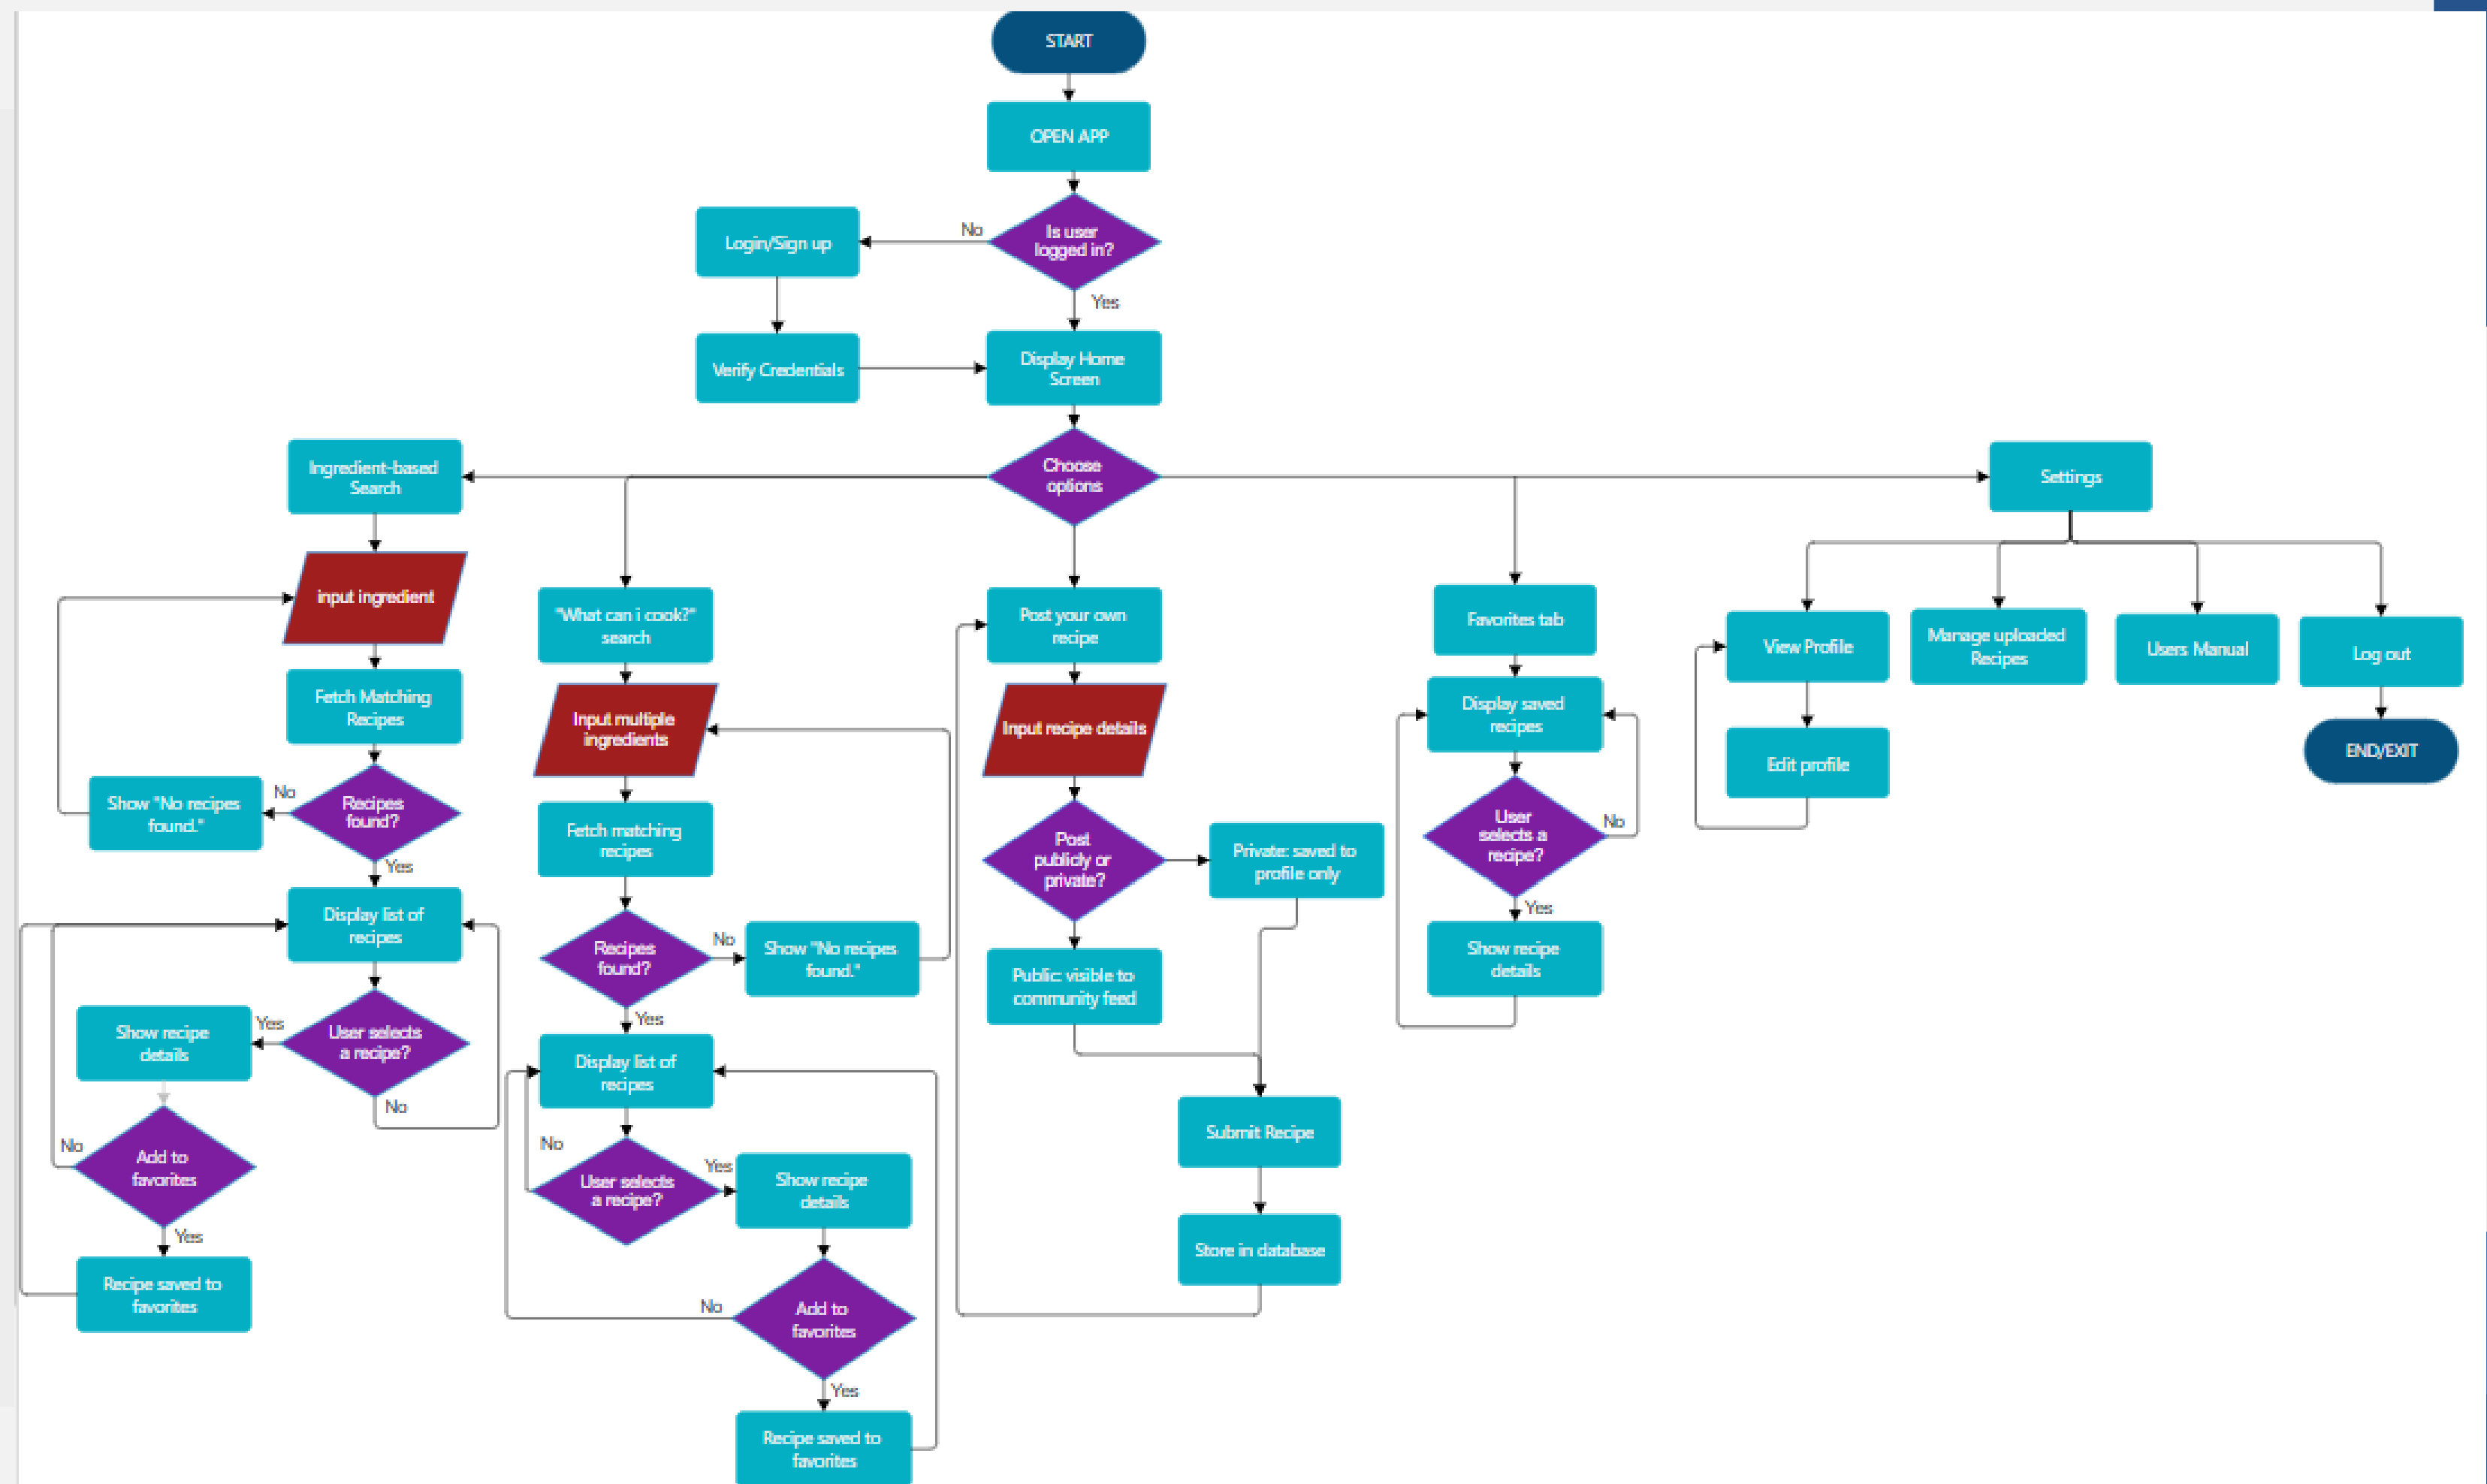

# MEALMATCH: RECIPE DISCOVERY APP

- A mobile app that helps users discover and share recipes while reducing food waste
- Key Features:
  - Ingredient-based Search → type one ingredient (e.g., chicken breast) to find recipes
  - “What Can I Cook?” Search → list available ingredients, app suggests possible dishes
  - Post Your Own Recipes → add ingredients, instructions, and photos
  - Favorites tab → list of saved recipes
- Impact:
  - Makes cooking more accessible & creative
  - Encourages responsible ingredient use
  - Supports SDG 2: Zero Hunger & SDG 12: Responsible Consumption and Production

**THANK YOU**
